

DANCE CLASSES

Our classes for ages 6 and up are thoughtfully structured into five levels based on both age and ability, with placement determined by our directors to ensure every student is set up for success. Students may choose a single style or combine multiple class styles to create a well rounded training experience. Discover a dynamic and well-rounded dance education where technique, creativity, and confidence grow together. Our experienced instructors guide dancers as they strengthen skills, build artistry, and develop a lasting love for movement, all within a supportive community where dancers share their passion and form meaningful, lasting friendships. Placement on the ADMA Elite Teams are by audition and by director approval.

Class levels are determined by the student's age as of September 1, 2026. Adjustments may be made at the discretion of our directors to ensure the best fit for each student.
