COMBINATION DANCE CLASSES

Our Combination Classes introduce young dancers to a variety of movement styles in a fun, nurturing environment.

First Steps is a playful, interactive class designed for young dancers and their parent, guardian, or caregiver. Together, participants explore movement, coordination, and creativity through music, imaginative activities, and simple dance exercises in a fun and supportive environment.

Tiny Tots consists of Ballet, Tap, and Tumbling, focusing on the very basics through age-appropriate activities. Students work on coordination, balance, hopping, jumping, and following simple directions, while developing listening skills and confidence in a fun and encouraging classroom setting.

Mini Movers class includes Ballet, Tap, and Tumbling, introducing basic dance positions, rhythms, and tumbling skills in a structured yet playful way. Students continue developing coordination, balance, and strength while improving focus, sequential memory, and the ability to follow multi-step directions.

Rising Stars classes focus on proper technique, beginning combinations, and more controlled movement with Ballet, Tap, and Tumbling. Emphasis is placed on coordination, balance, strength, and sequential memory as dancers learn to connect skills, follow choreography, and prepare for more advanced classes.

Class levels are determined by the student's age as of September 1, 2026. Adjustments may be made at the discretion of our directors to ensure the best fit for each student.
